1. The following is an examiner's statement of reasons for allowance: the prior art references of record fail to teach the additional limitations of the impact reducing and dispersing outer shell, the higher impact absorbing and force dispersing inner shell, the plurality of vents formed through both the shells introducing atmospheric air to an interior of the helmet body and discharging the air from the interior of the helmet body and the fan forcibly discharging the heated air from the interior of the helmet body through the plurality of vents and decorating the helmet body.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rodney M. Lindsey whose telephone number is (571) 272-4989. The examiner can normally be reached on M-F (8:30-5:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John J. Calvert can be reached on (571) 272-4983. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
